Go Getter

Commercial Grade Disinfectant Toilet Cleaner

Use instructions

Use Go Getter undiluted.

Toilet Bowls Flush toilet. Direct Go Getter under the rim of the bowl. Allow to run under the water. Use this solution and scrub all areas in and around the bowl using a toilet brush. Flush toilet.

Urinals Flush urinal. Direct Go Getter to the urinal, taking care to cover corners and areas where there are uric acid build ups. Scrub area with toilet brush. Flush urinal.

As a disinfectant Use Go Getter undiluted. Leave for 10 mins. Do not spray Go Getter. Do not mix with detergent or other chemicals. Safe for stainless steel, tiled surfaces and septic tanks when used as directed.
